Message

Makoto Asashima 〈Conference Chair〉
Director, Association for the Promotion of Research Integrity 〈APRIN〉
Deputy Director General, Research Professor, Advanced Comprehensive
Research Organization, Teikyo University

It is with great pleasure that I announce the 5th International Conference of the Asia Pacific Research Integrity Network 〈APRI〉 in Tokyo. This conference is cohosted by the Association for the Promotion of Research Integrity in Japan 〈APRIN〉 and Waseda University, and I would like to extend a warm welcome to all participants and stakeholders. Since its establishment in 2016, APRIN has, through nationwide projects, brought together researchers and others from the Japanese Government, industries, universities, and research institutions to address the issues of research ethics and integrity. With the current pace of science and tech development together with the transformation of information technologies, we are facing an ever greater need for maintaining research as an ethical and reliable endeavor. To accomplish this goal, it is critically important to establish a standard for research ethics and integrity acceptable throughout the world. This requires the mutual understanding of regional cultures and traditions. With this in mind, I anticipate an intense exchange of ideas among attendees from diverse areas during this conference. Through the exchange of ideas, new emerging concerns, such as preprint publication and public interest vs. privacy protection will be discussed. In designing the program, we found it important to achieve mutual understanding among not only researchers from geographically divergent areas but also those in a variety of research fields, such as biology and the arts. Teaching is an important task for APRI, therefore good practice and areas of collaboration between APRI and its members will be presented. Ethics and integrity are important not only for researchers, but also for industries, the government, and research institutions. We hope to lay the groundwork for the further promotion and development of research integrity in Asia and the Pacific Rim.

Jun Fudano 〈Local Lead〉
Chair, Executive Committee and Member, Program Planning Committee
Professor, Center for Higher Education Studies, Waseda University

On behalf of the Executive Committee as well as of Waseda University, the co-organizer, I would like to extend our warmest greetings to all prospective participants of the 5th Asia Pacific Research Integrity Network Meeting in Tokyo 〈APRI2023 Tokyo〉.

The APRI2023 Tokyo will be held using a hybrid model from March 20–22, 2023, with a pre-conference seminar on March 19. The meeting is the first of its kind in Japan, especially in terms of its global perspectives and size. We are pleased and honored to host this landmark conference.

The theme of APRI2023 Tokyo is "Fostering understanding of regional differences and common goals in research integrity." We will explore various issues in order to promote research integrity across cultural, geographical, disciplinary, and institutional boundaries. It is our hope to bring together not only academic researchers and administrators, but also participants from various sectors, including governments, funding agencies, the media, and industries, to address challenges for the promotion of research integrity and ethics and to foster a sound and thriving research culture. We also hope to have as many participants from as many countries and regions as possible, including developing countries.

The conference on the first day, March 20, 2023, will be held jointly with the annual National Conference for the Promotion of Research Integrity, which is hosted by the Association for the Promotion of Research Integrity 〈APRIN〉, the main organizer. This annual meetings have been attended by several hundred Japanese research integrity stakeholders including scholars and administrators each year. We expect that participants from abroad will have ample opportunities to interact not only among themselves but also with Japanese counterparts.

Waseda University, one of the oldest private universities in Japan, is honored to co-host the conference and provide the venues on our main campus which is located in the central part of Tokyo. Waseda's main campus is home to several museums and cultural facilities including the Haruki Murakami Library 〈the Waseda International House of Literature〉, which we hope everyone can find time to visit.

We look forward to welcoming you to APRI2023 Tokyo and Waseda University, hopefully, with the cherry blossoms in full bloom.

Venue

Waseda University, Waseda Campus（1-104 Totsukamachi, Shinjuku-ku, Tokyo, 169-8050, JAPAN）

Day 0 ■ Sunday, March 19
Day 1 ■ Monday, March 20

Venue: [Building No.18]　International Conference Center
　Masaru Ibuka Auditorium（1F）, Conference Room1（3F）, Conference Room2（3F）, Conference Room3（3F）, Lobby（3F）
Venue: Building No.15
　Room 02（1F）, Room 03（1F）, Room 04（1F）

Day 2 ■ Tuesday, March 21
Day 3 ■ Wednesday, March 22

Venue: [Building No.121]　Research Innovation Center
　Conference Room B101（B1F）, Room4 B111（B1F）, Room5 B112（B1F）, Room6 B113（B1F）, Room7 B114（B1F）, Room8 B115（B1F）, Entrance Hall（1F）

The 5th APRI Network Meeting in TOKYO（APRI2023 TOKYO）

Date: March 20-22, 2023（Pre-Conference Seminar: March 19）

Registration Desk – Opening Hours（Japan Standard Time）

　[Day1] Monday, March 20　08:00 – 18:30
　[Day2] Tuesday, March 21　08:00 – 18:00
　[Day3] Wednesday, March 22　08:00 – 14:00

Language

The official language of the APRI2023 TOKYO is English. Except Day 1, no interpretation will be provided.

Messages

A message board will be available at the Registration Desk. Please check this board daily for any announcements and updates on the program.

Online Conference Book

The Conference Book also can be found online at the conference website: https://apri2023.org/.

Photographer

The official photographers are present during the APRI2023 TOKYO. By registering for this conference, you agree to have your picture taken.

Recorded Sessions

APRI2023 TOKYO will be recorded. These recorded sessions will be made available after the conference via the conference website https://apri2023.org/.

Disclaimer Insurance and Liabilities

The Local Organizing Committee and the Conference Secretariat of APRI2023 TOKYO reserve the right to alter or cancel, without prior notice, any arrangements, timetables, plans or other items relating directly or indirectly to the conference for any cause beyond their reasonable control.

Insurance and Liabilities

Neither the Local Organizing Committee nor the Conference Secretariat of APRI2023 TOKYO can be held responsible for any injury, loss, damage, accident to property or additional expenses incurred as a result of delays or changes in air, rail, sea, road, or other services, strikes, sickness, weather, acts of terrorism and any other cause. We advise all participants to arrange adequate travel, liability and health care insurances.

TIMETABLE

〈The following programs are subject to change.
Please check APRI2023 TOKYO official website (https://www.apri2023.org/)
for updates.〉

Day 0 ■ Sunday, March 19

Pre-Conference Seminar: Research on Research Integrity

Instructors

Lex Bouter
Professor Emeritus of Methodology and Integrity, Department of Epidemiology and Data Sciences, Amsterdam University Medical Centers, and Department of Philosophy, Faculty of humanities, Vrije Universiteit Amsterdam

Chien Chou
Chair Professor, Institute of Education/Center for Teacher Education, National Yang Ming Chiao Tung University

Michael Kalichman
Professor Emeritus, University of California San Diego

Li Tang
Professor, School of International Relations and Public Affairs, Fudan University

Day 1 ■ Monday, March 20

Plenary1: Welcome and Introductions

Speakers

Zoë Hammatt
President, Z Consulting, LLC, Research Integrity Consultation & Writing Services

In Jae Lee
Professor, Seoul National University of Education(SNUE)

Iekuni Ichikawa
Executive Director, Association for the Promotion of Research Integrity

Plenary2: Good practice: Promotion of Research Integrity

Speakers

Takaaki Matsuzawa
Senior Science and Technology Policy Analyst, Science and Technology Policy Bureau, Ministry of Education, Culture, Sports, Science and Technology (MEXT)

Lex Bouter
Professor Emeritus of Methodology and Integrity, Department of Epidemiology and Data Sciences, Amsterdam University Medical Centers, and Department of Philosophy, Faculty of humanities, Vrije Universiteit Amsterdam

Chien Chou
Chair Professor, Institute of Education/Center for Teacher Education, National Yang Ming Chiao Tung University

Check **Program Contents page** for more information about program.
Scan the QR code or check https://apri2023.org/program/
and Click "**Program Contents with Search Function**" button.

Day 1 ■ Monday, March 20

Plenary3: Data Sharing

Speakers

Paul Glasziou
Professor, Director, Institute for Evidence-Based Healthcare, Faculty HS&M, Bond University

Lay Ching Chai
Associate Professor, University of Malaya

Suzanne Lorraine Allard
Chancellor's Professor, University of Tennessee
Associate Dean for Research, College of Communication & Information
Director, CCI Research & Innovation Center

Plenary4: Ethics & Integrity of Research and Development in Engineering

Speakers

Makoto Itoh
Professor, University of Tsukuba

Cong Cao
Professor, Nottingham University Business School China

APRI Networkers' Reports and Panel Discussion

Speakers

In Jae Lee
Professor, Seoul National University of Education (SNUE)

Abhi Veerakumarasivam
Professor, Sunway University

Daniel Barr
Principal Research Integrity Advisor, RMIT University

Prasit Palittapongarnpim
Professor, Department of Microbiology, Faculty of Science, Mahidol University

Henry Y. Sun
Distinguished Investigator and Director, Institute of Molecular Biology, Academia Sinica

Li Tang
Professor, School of International Relations and Public Affairs, Fudan University

Danny Chan
Professor, School of Biomedical Sciences, LKS Faculty of Medicine, The University of Hong Kong

Iekuni Ichikawa
Executive Director, Association for the Promotion of Research Integrity

Check **Program Contents page** for more information about program.

Day 1 ■ Monday, March 20

FY2022 National Conference for the Promotion of Research Integrity Subcommittee and other meetings of Association for the Promotion of Research Integrity (APRIN)

〈Language : Japanese〉

▶ Biomedical Science Subcommittee
   What is needed to improve the benefit of clinical research?
▶ Engineering Subcommittee
   Background and corrective action for data fraud and inspection fraud based on case studies.
▶ Humanities and Social Sciences Subcommittee
   Research Achievement and Research Evaluation in Humanities and Social Sciences
▶ Subcommittee for Educational Materials on Research Ethics in Secondary Education
   Research ethics for students and "Inquiry - Based Study" in the secondary education
▶ Meeting for Research Integrity Officers and Research Administrators
   Current Status and Issues of Research Ethics and Integrity Education For Promoting the Enhancement of Research Abilities

一般財団法人公正研究推進協会(APRIN)
2022 年度全国公正研究推進会議　分科会(1)〜(5)

(1) 医生命科学系分科会

テーマ 臨床研究の有益性を向上させるためには何が必要か

概要

　臨床研究においては、もたらし得る有益性が、研究に伴うリスクを凌駕していることが倫理的原則であり、「人を対象とする生命科学・医学系研究に関する倫理指針」においても、倫理審査委員会の責務として、倫理的観点及び科学的観点から審査することを要求している。しかし、現実には、長年にわたり科学性についての検討は極めて手薄の状況が放置されてきた。

　APRIN では、2022 年度、「臨床研究有益性向上会議」を設立し、臨床研究の支援・教育に深く関わり、また臨床研究計画の実務についても豊富な経験を有する方に協力を依頼し、この問題に取り組むこととした。

　まず初めに、臨床研究を計画する方、および倫理審査を行う研究者を対象に、臨床研究計画に当たってとかく生じやすい誤り、および科学的価値への打撃が大きい誤りを避けるための研究計画段階でのチェックリストの作成を開始した。

　このチェックリストは、倫理審査委員会に提出する倫理性に関するチェックリストとは異なり、あくまで助言を通しての気付きの誘導が目的である。

　本分科会では、有益性向上のためのチェックリストの意義と「臨床研究有益性向上会議」の議論の進捗状況をお伝えし、参加者の皆様からのご意見・ご要望をお聞きする場としたい。

(2) 理工学系分科会

テーマ 事例にみるデータ不正・検査不正の背景と公正化策

概要

　APRIN 理工学系分科会では、研究のみならず企業における倫理も含めて検討している。この分科会では、近年、頻繁に発生している企業のデータ不正、検査不正などの品質不正を取り上げている。

　企業におけるこれらの不正に関して「不正リスクの調査白書」の講演により現状と動向を紹介する。次の講演で、不正の背景や原因を探りその防止策を検討する。3 番目の講演で、企業における技術開発、技術管理における倫理問題について、品質不正を含めて全般的に検討する。

　これら 3 件の講演に続いて総合討論を行い、企業での公正な技術開発や技術管理に向けての倫理的課題を浮き彫りにする。

座長
　中野 義知　APRIN 理工学系分科会　委員

副座長
　三木 哲也　電気通信大学　名誉教授、APRIN 理工学系分科会　委員

　　　　　　　（発表準備補助：近間 輝美　APRIN 理工学系分科会　委員）

《理工学系分科会》 2022 年度活動報告（YouTube 動画）

（3）人文学・社会科学系分科会

テーマ 人文学・社会科学分野の研究業績と研究評価

概要

　人文学社会科学分野において大学の部局や研究室を発行元とする紀要論文での研究発表は、学術誌での発表にはない重要な意味を持っている。紀要は機関レポジトリ等で一般に公開されている場合が多く、会員でないとアクセスできない場合がある学術誌に比べて広く共有されやすいという特徴がある。一方で、紀要には査読の体制・有無が不明瞭だったり、投稿規程が明確でなかったりといった懸念点もあり、研究機関における人事評価での扱いは様々である。また、査読審査や投稿規程がないことに起因してか、意識的にか無意識的にか、二重投稿や自己盗用といった研究不正の場となってしまうことも否定できない。

　人文学社会科学研究において紀要が成果発表の場としてどのように扱われているか、研究業績としてどのように理解されているかの現実を把握し、共有することが重要であろう。この問題意識に基づき、本分科会では紀要の実態とその意義について接近する。

　本テーマについてはすでに多くの議論や取り組みがある。研究の公開性や透明性といった研究公正で求められている昨今の観点も踏まえて、参加者の皆様と議論をしたい。

座長

井野瀬 久美惠　甲南大学文学部　教授、APRIN 人文学・社会科学系分科会　委員長

演者

（4）中等教育における研究倫理の教材作成分科会

テーマ 中等教育における「探究」と研究倫理について

概要

　今年度、中等教育用の「理数探究基礎」の教科書が発刊され、中等教育の場では、授業時間を使った「探究」へのあらたな取り組みが開始されている。一方、APRIN では中等教育における研究倫理に関する教材「基礎編」および「実践編」を公開してきた。最近は中等教育の現場（課題研究・コンテスト参加等）での教材活用への関心が高まっている。こうした状況を踏まえるとき、生徒が学ぶべき研究倫理やその指導にあたる先生が知っておくべき研究倫理等について、中等教育の研究の実状を様々な立場から自由に議論することが有意義と考える。

　今回の分科会シンポジウムでは、3 名の講師の方に講演をいただき、中等教育における「探究」と研究倫理について、問題点や課題などを自由に討論する。

座長

岩本 光正　東京工業大学　名誉教授、APRIN 中等教育教材作成分科会　委員長

演者

梶山 正明　筑波大学附属学校教育局　教授・教育長補佐
安東 周作　北海道北見北斗高等学校　教諭・SSH 探究委員会委員長
村本 哲哉　東邦大学理学部生物学科　准教授、APRIN 中等教育教材作成分科会　委員

《中等教育系分科会》 2022 年度活動報告（YouTube 動画）

（5）研究倫理教育事務担当者向け分科会

テーマ 研究力向上を目指す研究倫理教育の現状と課題

概要

　平成 26 年 8 月 26 日に「研究活動における不正行為への対応等に関するガイドライン」が文部科学大臣決定され、8 年が経過した。当初、各研究機関においては、公正研究推進のために、
　・「研究倫理教育責任者」の設置などの必要な体制整備を図り、広く研究活動に関わる者を対象に、定期的に研究倫理教育を実施
　・規程・体制の整備及び公表等、整備を図る
　・新たな体制等に基づく特定不正行為の告発の受付
　・事案の調査（予備調査、本調査、認定、不服申立て、調査結果の公表等）
などに取り組まれてこられたことと思うが、文部科学省調査によると、残念ながら様々な不正行為が後を絶たないのが現状である。

　本分科会では、有用な情報として、「研究倫理教育のこれまでの啓発活動と新しい教材の活用について〜 JST が開発した映像教材を通じて〜」と題し、科学技術振興機構（JST）様よりご講演いただくこととなった。

　APRIN からは、「APRIN 加入状況」、「受講コースの現状」、「受講コースの単元構成」、「既存受講コースの見直しに有用な単元毎の情報」などを皆さまに共有させていただく。また近年開発した新たな教材及び公正研究に関する冊子等を広く知っていただくため、改めてご紹介する。

　研究倫理教育における各機関様の様々な課題の解決の一助となれば幸いである。

Day 2 ■ Tuesday, March 21

Plenary5: New Technology and Research Ethics and Integrity

Speakers

Shanshan Yu
Project Manager, Research Center for AI Ethics, Fujitsu Ltd

Masayuki Yamamoto
Professor, Executive Director, Tohoku Medical Megabank Organization

Masaru Kitsuregawa
Director General, National Institute of Informatics
University Professor, The University of Tokyo

Breakout session: Research Misconduct Investigation

Overall Session Chair

Zoë Hammatt
President, Z Consulting, LLC, Research Integrity Consultation & Writing Services

Moderators

Breakout Group 1: **Li Tang**
Professor, School of International Relations and Public Affairs, Fudan University

Breakout Group 2: **Chang-Sub Uhm**
Professor, Korea University College of Medicine

Breakout Group 3: **Daniel Barr**
Principal Research Integrity Advisor, RMIT University

Breakout Group 4: **Mikiko Siomi**
Professor, The University of Tokyo

Plenary6: Field Specific Issues: (Including COI)

Speakers

Kumie Inose
Professor, Faculty of Letters, Konan University

Michael V. Dougherty
Sr. Ruth Caspar Chair in Philosophy, Ohio Dominican University

Lisa Winstanley
Assistant Professor, School of Art, Design & Media. Nanyang Technological University

Day 2 ■ Tuesday, March 21

Oral Presentations

Nor Aishah Abdullah
Senior Lecturer, Department of Science and Technology Studies, Faculty of Science, Universiti Malaya

Siyath Ahemed
Librarian, Parliament of Sri Lanka

Sivakumar Arunachalam
Associate Professor, International Medical University, Malaysia

George Christopher Banks
University of North Carolina at Charlotte

Kesaven Bhubalan
Universiti Malaysia Terengganu

Pooran Chand
Professor & Head, Department of Prosthodontics and Crown & Bridges, King George's Medical University

Lecturer I, Ekiti State University, Ado-Ekiti

Sophia Pan*On-line (**Chien Chou***On site)
Assistant Research Fellow, National Yang Ming Chiao Tung University (Chair Professor, Institute of Education/Center for Teacher Education, National Yang Ming Chiao Tung University)

Kamani Perera
Manager - Research & Development, Chartered Institute of Personnel Management

Hapuarachchige Indrani Sujeeva Perera
Teacher Educator, Ministry of Education, Sri Lanka

Rattanapan Phoomirat
Senior analyst, The Office of Research Integrity Division (ORI), National Science and Technology Development Agency (NSTDA)

Lisa Marie Rasmussen
Professor, Department of Philosophy; Faculty Fellow in the Graduate School, University of North Carolina at Charlotte

Sabin Siddique
Associate Professor, Department of public health dentistry

Pei-Shin Tsai
Assistant Coordinator (Research Assistant), Research Center for Humanities and Social Sciences, National Yang Ming Chiao Tung University

Tomomi Watanabe
Chiba University

Marcin Waligora
Faculty of Health Science, Jagiellonian University Medical College

PROGRAM

Plenary7: A Vocational Virtues Framework for Ethical Professional Practice

Speaker

Robert T. Pennock
University Distinguished Professor, Michigan State University

Breakout session: Topics for RCR Education

Overall session Cochairs

Dena Kay Plemmons
Director, Research Ethics Education Program, University of California, Riverside The Graduate Division

Wai Lan TSANG
The University of Hong Kong

Moderators

Danny Chan
Professor, School of Biomedical Sciences, LKS Faculty of Medicine, The University of Hong Kong

Cheng-Chen Chen
Adjunct Professor, Department of Tropical Medicine, National Yang Ming Chiao Tung University

De-Ming Chou
Senior Lecturer, Universiti Putra Malaysia

Chie Hikasa
Assistant Professor, Shinshu University School of Medicine

Michael Kalichman
Professor Emeritus, University of California San Diego

In Jae Lee
Professor, Seoul National University of Education (SNUE)

Ovid J. L. Tzeng
Academician and Distinguished Research Fellow, Academia Sinica

Reports from APRI2023 Working Group and Discussion

Working group 1: Research Ethics & Integrity in Cross-boarder Research: Global Standardization of misconduct investigation under variable regional laws

Group leaders

Robert Geller
The University of Tokyo

Zoë Hammatt
President, Z Consulting, LLC, Research Integrity Consultation & Writing Services

Working group 2: Research misconduct re-definition (new modes of misconduct) and education; markers (metrics) for progress

Group leaders

Chien Chou
Chair Professor, Institute of Education/Center for Teacher, Education, National Yang Ming Chiao Tung University

Michael Kalichman
Professor Emeritus, University of California San Diego

Working group 3: Identifying and overcoming cultural barriers, e.g., those among hierarchies, research fields, countries, government vs. academia

Group leaders

Mai Har Sham
Professor, The Chinese University of Hong Kong

Prasit Palittapongarnpim
Professor, Department of Microbiology, Faculty of Science, Mahidol University

Committee Members

Daniel Barr
  Principal Research Integrity Advisor, RMIT University, Melbourne

Jennifer Byrne
  Professor, University of Sydney

Danny Chan
  Professor, School of Biomedical Sciences, LKS Faculty of Medicine, The University of Hong Kong

De Ming Chau
  Senior Lecturer, Universiti Putra Malaysia,Selangor

Cheng‑Chen Chen
  Adjunct Professor, Department of Tropical Medicine, National Yang Ming Chiao Tung University, Taipei

Chien Chou
  Chair Professor, Institute of Education/Center for Teacher Education, National Yang Ming Chiao Tung University, Taipei

Jun Fudano
  Professor, Center for Higher Education Studies, Waseda University

Susan Garfinkel
  Associate Vice President for Research Compliance, The Ohio State University, Columbus

Zoë Hammatt
  President, Z Consulting, LLC, Research Integrity Consultation & Writing Services, Honolulu

Iekuni Ichikawa
  Executive Director, Association for the Promotion of Research Integrity（APRIN）

Michael Kalichman
  Professor Emeritus, University of California San Diego

El‑Nasir Lalani
  Professor Emeritus, Centre for Regenerative Medicine and Stem Cell Research, The Aga Khan University, Karachi

In Jae Lee
  Professor, Seoul National University of Education（SNUE）

Li Tang
  Professor, School of International Relations and Public Affairs, Fudan University, Shanghai

Eric Mah
  Associate Dean, University of California, San Diego

Prasit Palittapongarnpim
  Professor, Department of Microbiology, Faculty of Science, Mahidol University, Bangkok

Mai Har Sham
  Professor, The Chinese University of Hong Kong

Surendranath S. Shastri
  Professor, University of Texas MD Anderson Cancer Center, Houston

Ovid J. L. Tzeng
  Academician and Distinguished Research Fellow, Academia Sinica, Taipei

Chang‑Sub Uhm
  Professor, Korea University College of Medicine, Seoul

Hiroaki Aihara
  Executive Vice President, The University of Tokyo

Makoto Asashima〈Conference Chair〉
  Director, Association for the Promotion of Research Integrity（APRIN）／ Deputy Director General, Research Professor, Advanced Comprehensive Research Organization, Teikyo University

Jun Fudano〈Local Lead〉
  Professor, Center for Higher Education Studies, Waseda University

Yoshimitsu Fukushima
  Professor, Shinshu University School of Medicine

Robert Geller
  The University of Tokyo

Chie Hikasa
  Assistant Professor, Shinshu University School of Medicine

Iekuni Ichikawa〈Program Chair〉
  Executive Director, Association for the Promotion of Research Integrity（APRIN）

Noriko Ikeda
  Director, Kisho Professional Engineer Office

Syunsuke Ikeda
  Adviser, CTI Engineering Co., Ltd.

Kumie Inose
  Professor, Faculty of Letters, Konan University

Tetsuji Iseda
  Professor, Graduate School of Letters, Kyoto University

Shunzo Majima
  Professor, Institute for Liberal Arts, Tokyo Institute of Technology

Tohru Masui
  Visiting Professor, Center for Medical Genetics, School of Medicine, Keio University

Masaki Nakamura
  Professor, Center for Education in Liberal Arts and Sciences, Osaka University

Yoshitomo Nakano
  Member, Board of Directors, Engineering Subcommittee member, Association for the Promotion of Research Integrity（APRIN）

Rei Nouchi
  Assistant Professor, Shinshu University School of Medicine

Koji Okabayashi
  Assistant Professor, Life Science Center for Survival Dynamics, Tsukuba Advanced Research Alliance（TARA）, University of Tsukuba

Noriko Osumi
  Vice President for Public Relations and Promotion of Diversity, Professor Department of Developmental Neuroscience, Tohoku University

Makoto Suematsu
  Professor, Keio University School of Medicine

Masayuki Yoshida
  Director, Life Science and Bioethics Research Center, Tokyo Medical and Dental University

Conference Dinner

*Restricted for meeting participants who have registered for the conference dinner

Date: [Day 2] Tuesday, March 21
Time: 18:30 - 20:30
Venue: RIHGA Royal Hotel Tokyo
    1 - 104 - 19 Totsuka - machi, Shinjuku - ku, Tokyo 169 - 8613
    https://www.rihga.com/tokyo

Starring: MITSUDOMOE
〈Waseda University, Official circle of Tsugaru Shamisen〉

During the dinner, students from Waseda University will perform Tsugaru Shamisen, a traditional Japanese musical instrument.

Mitsudomoe was founded in 2000 and is "the rockiest Japanese music circle in Waseda".

Many of their members started playing the Tsugaru shamisen at university and enjoy practicing it. They have won the Tsugaru Shamisen World Tournament held every May five times. They also participate in events and concerts to "share the joy of Tsugaru shamisen"! Please enjoy the beautiful sound of Tsugaru shamisen.

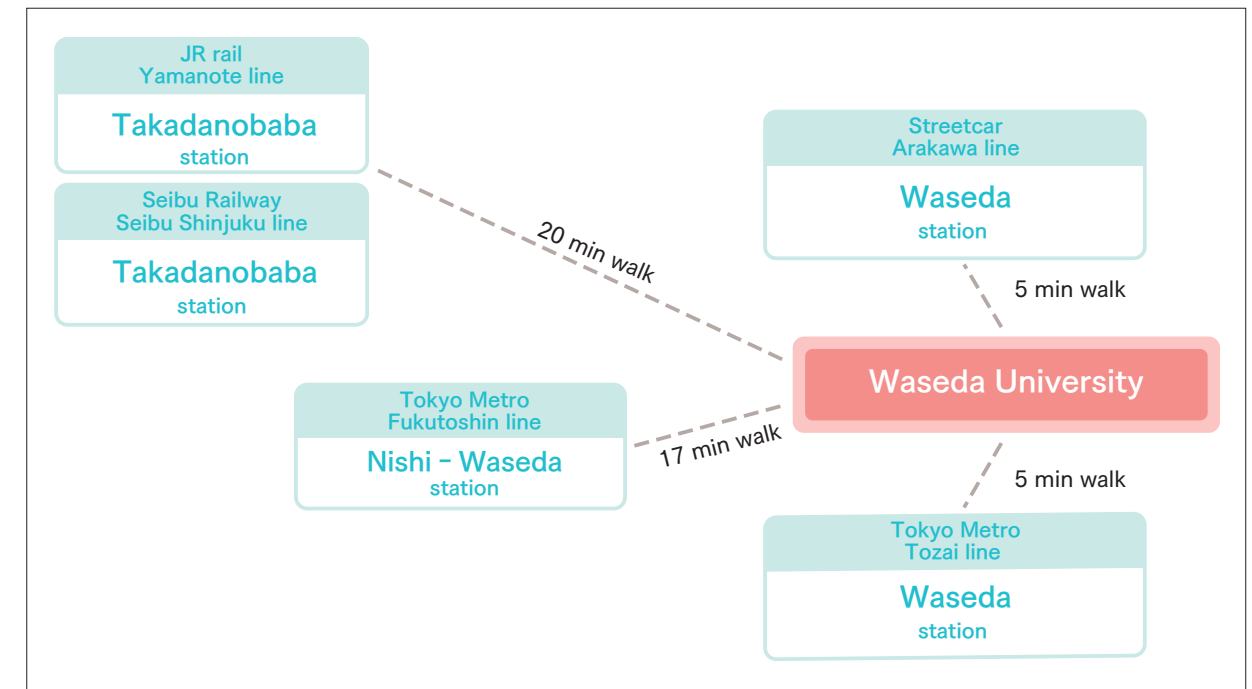

【What's Tsugaru Shamisen】

First of all, the shamisen can be classified into three main types according to the thickness of the neck. There are futozao, chuzao and hosozao. The type of music played depends on the thickness of the neck.The Tsugaru shamisen is classified as the futozao type, and is played with a thick, heavy plectrum. The Tsugaru shamisen was originally created as a performing art for male hearing - impaired people called "bosama," and gradually developed into a stage performance. Today, many Tsugaru shamisen players are struggling to find a new style of Tsugaru shamisen, collaborating not only with traditional folk songs, but also with rock and pop music.

Venue

Waseda University, Waseda Campus
（1 - 104 Totsukamachi, Shinjuku - ku, Tokyo, 169 - 8050, JAPAN）

From Narita Airport

Route 1：JR Narita Express - about 1hour 50mins
Route 2：Limousine Bus - about 2hours
Route 3：Keisei Skyliner - about 2hours

From Haneda Airport

Route 1：Keihin - Kyuko Line - about 50mins
Route 2：Limousine Bus - about 1hour 30mins
Route 3：Tokyo Monorail - about 1hour and 10mins

Organizer

一般財団法人 公正研究推進協会
Association for the Promotion of Research Integrity

The Association for the Promotion of Research Integrity（APRIN）is a general incorporated association founded on April 1, 2016, by leading researchers in Japan from such academic disciplines as medical life sciences, engineering and humanities, aiming to raise awareness of global code of conduct that change with advancement of science by providing researchers, future fledging researchers and those supporting research in Japan with educational materials and study sessions on research ethics and integrity, and to actively support research activities of research institutions and various other academic societies.

To date, APRIN has expanded targets of its support to include not only researchers and graduate students at higher educational institutions like universities but also secondary education teachers and students and workers of industries.

Co-organizer

WASEDA University

Waseda University, founded in 1882, is one of the oldest and most respected private universities in Japan. Founded by Shigenobu Okuma, an eminent statesman who served as prime minister twice in 1898 and from 1914 to 1916, Waseda has many notable alumni such as nine prime ministers including the current prime minister, Fumio Kishida. It has about 38,000 undergraduates and 9,000 graduate students in 10 academic divisions and a number of campuses including the Waseda main campus where the APRI2023 Tokyo Meeting will be held.（For virtual campus tour, see https://waseda-vrtour.com）
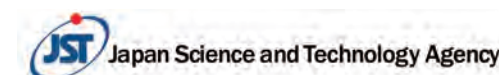

The university formulated "Waseda Vision 150," a vision of what the university should be in 2032, the 150th anniversary of our founding. With our motto "Best Education, Best Research, Best Community," we are striving for excellence to make Waseda "Shining Globally." It is our current goal stated in "Wseda Vision 150 and beyond." We are determined to move forward toward our feasible dream of becoming the most valuable university to study in Japan by 2040 and the most desired university to enter in Asia by 2050.

As clearly stated in "Waseda University Academic Research Ethics Charter," the university holds paramount research integrity because "the mission of Waseda University is to achieve a high ideal of academic research that conforms with its founding principles of Academic Independence and Enterprising Spirit," and wishes "to promote contributions to human welfare and world peace through academic research." Thus, Waseda is pleased and honored to host the 5th APRI Networking Meeting 2023, the first of its kind in Japan, on our campus.
